## President's Message

Fall has arrived in full force with the beautiful weather and all the activities! Big shoutout to the Lagniappe Chapter for their successful fall tour. Sorry I had to back out of attending due to a family matter but I understand everyone had a great time. Thank you to all who worked planning the tour and all who attended.

Also thank you to the Evangeline Chapter, and Jim and Marguerite Ortego for opening their family garage for the fourth quarter drive and dine. Even though the weather was pretty bad that day, we had a good turnout and as always the food and fellowship was top notch.

To close out our 2025 year, we have the following:

- Thanksgiving Tour set for November 18 – 23 in Nacogdoches, TX.
- Christmas Party and Region Board meeting on December 7 at Chef Roy in Rayne, LA. Flyer in this issue.

The Baton Rouge Chapter has been planning the tour for May 1 & 2, 2026 (see the flyer in this issue - it's two pages). It looks to have some fun activities for everyone. Please get those registrations mailed into Wally as soon as possible (deadline April 15, 2026) and don't forget to make your hotel reservations.

I strongly encourage members to invite guest to these events so they can see how much fun our club members are having. Finally, as we finish out the year, everyone should be renewing memberships for the 2026 year. Please help by promptly completing your forms and paying your fees when the officers make them available to you.

God bless,

James Lass  
Regional President

### Information from Nationals:

#### Free Region/Chapter Membership Applications:

Four 2026 FREE membership applications have been mailed to your current region/chapter President. These applications can only be used for the recruitment of BRAND NEW AACA NATIONAL MEMBERS and must be signed by a region/chapter representative. These membership forms must be signed by September 1, 2026. All 2025 free membership applications received after September 1, 2025, will be applied to the 2026 member year.

#### 2025 I.C. Kirkham Membership Award

The I.C. Kirham Membership Award is again up for grabs at the 2026 Annual Convention. This award recognizes the efforts of a region or chapter to grow their membership. Entering the competition is simple. Go to your copy of the Speedster that was emailed to you in September. Fill it out with how many members you had on December 31, 2024, and how many members you gained in 2025. Then write up a short paragraph to share with us what you did in order to increase your membership and email the completed form to [general@aaca.org](mailto:general@aaca.org). A committee will review and select the applicant with the largest percentage increase, along with the best narrative. The deadline to apply is December 1, 2025.

## IS YOUR Chapter Prepared to Recruit New Members?

When your region or chapter holds a local car show, that is your best opportunity to recruit new members. The people attending your show are there because they already have an interest in antique cars. If your event is open to non-members, those who have registered and are showing their cars are already willing to participate. These are the folks you should be engaging about how much you enjoy being an AACA member and that they should think about joining.

Now, don't be caught empty-handed at this point! Make sure your region/chapter has something to hand out to potential new members. When you are planning your event, be sure to reach out to National Headquarters to get a supply of materials to help you.

**All of these items are available to you at no charge:**

- AACA National Membership Brochure
- AACA National Membership Application
- Mustang Car Cutouts
- AACA National Military Membership Application

To request a supply of these items, please [email Karen](mailto:kwhite@aaca.org) at [kwhite@aaca.org](mailto:kwhite@aaca.org) and include your region, address where you would like the items mailed to and the date of your event.

### **Come for the Cars, Stay for the People.**

- Celebrating vehicles 25 years and older
- AACA is one of the largest and most inclusive car clubs in the world with more than 40,000 members
- Ownership of an antique vehicle is not required for membership

Freddie and Celeste Hebert (Lagniappe Chapter) had their 1961 Cadillac selected to be featured on the 2025 Cruisin' the Coast Bourbon bottle! What an honor!

Freddie with the man that they bought the car from 13 years ago. He came to get his copy of the bottle.

## 2026 Membership

### Renewal Time

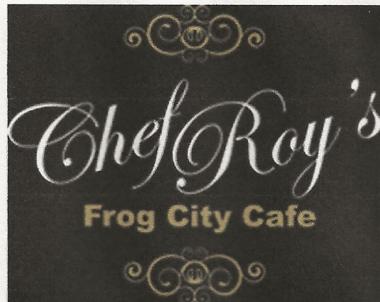

#### It's 2026 Membership Renewal Time

It's our busiest time of the year here at AACA Headquarters – it's membership renewal time! The first renewal notice for 2026 dues will be included in the September/October mailing package of *Antique Automobile*.

Members can also use the online renewal option on our website. Renewing online is quick and easy! Just log in with your membership number and pin number, review the information currently listed on your membership record and make changes if necessary. Review your information one more time and click on credit card. Payment options include Visa, MasterCard or Discover. Your payment will automatically update your membership record.

## LAGNIAPPE FALL TOUR 2025—HOUMA, LOUISIANA

# For Sale

## 1988 Avanti Convertible

Avantis were originally manufactured by Studebaker Corp. in 1962 and 1963 as a fiberglass coupe. When Studebaker ceased production, **Leo Newman and Nate Altman**, wealthy Studebaker dealers, bought the rights to the Avanti, tooling and stock to continue manufacturing the car in one of the Studebaker buildings in South Bend, Indiana. They called it the **Avanti II** to differentiate it from the Studebaker produced cars. Other owners and partners continued to manufacture coupes and convertibles under Avanti Motor Corporation until 2006. As the company ran out of most Studebaker parts, they began basing the car on GM production cars.

This Avanti, manufactured under the "Michael Kelly Era" in Youngstown, Ohio, is based on a 1988 Chevrolet Monte Carlo (GM 305CID). It is a reliable and road worthy car with 77,038 miles. It doesn't burn any oil and gets average fuel mileage. It rides on 15" original chrome wire wheels. The interior is in good condition.

AACA National First Senior Award, Naples FL in 2016. Only about 250 Avanti Convertibles ever produced.

# PRAYER FOR PROTECTION DURING HURRICANE SEASON

BY THE MOST REVEREND MAURICE SCHEXNAYDER  
SECOND BISHOP OF LAFAYETTE

O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed your order and returned to its former quietude; you are still the Master of land and sea.

We live in the shadow of a danger over which we have no control. The Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land, and spread chaos and disaster. During this hurricane season, we turn to You, O loving Father. Spares us from past tragedies whose memories are still so vivid and whose wounds seem to refuse to heal with the passing of time.

O Virgin, Star of the Sea, Our Beloved Mother, we ask you to plead with your Son in our behalf, so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem where a storm-less eternity awaits us.

Amen.
